INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR § 1.97(c)

Commissioner for Patents
Washington, D.C. 20231

Sir:

Pursuant to 37 CFR §§ 1.97 and 1.98, this Information Disclosure Statement is submitted for the purpose of bringing to the attention of the Office the items listed in the accompanying Form PTO-1449. Copies of the listed items are provided for the convenience of the Examiner. The Examiner is requested to consider and make these items of information of official record in the Application.

The items identified in this Information Disclosure Statement (IDS) may or may not be "material" pursuant to 37 CFR §1.56 and the submission thereof by Applicants shall not be construed as an admission that any such patent, publication or other information referred to therein, or any combination thereof, is material or considered to be material (37 CFR §1.97(h)) or even qualifies as "prior art" under 35 USC §102 or §103 with respect to this invention unless specifically designated by Applicant as such.

Furthermore, the submission of the above listed items is not to be construed as a representation that an exhaustive search, or any search, has been made, or that additional information material to the examination of this Application does not exist.

Certification under 37 C.F.R. §1.97(e)(1)

It is hereby certified that each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application (specifically, the related PCT application) not more than three months prior to the filing of this information disclosure statement.

This IDS is believed to be timely in that it is being submitted under 37 CFR § 1.97(c)(1), that is within three months of learning of the cited items. Thus, no petition or fee should be required. However, if it is necessary, the Examiner is hereby authorized to consider this a petition and is further authorized to charge any fee required by its filing to Deposit Account No. 09-0946.

Respectfully Submitted,

Dated: July 29, 2002
